

Watershed Education & MWEE Ambassador Training

 Jacobsburg Environmental Education Center
400 Belfast Rd, Nazareth, PA

MWEE

June 29, 2022

June 30, 2022

9:00 AM to 3:30 PM

 **Register today!**

Are you a Pennsylvania educator or school administrator passionate about bringing relevant and real watershed education and environmental literacy to your K–12 students?

Join us for two FREE days of on-site, hands-on learning in PA State Park's Watershed Education (WE) curriculum and the Meaningful Watershed Educational Experience (MWEE) curricular framework! Discover dozens of inquiry-based, interdisciplinary activities in your own copy of the WE Teacher Manual, explore how MWEEs can increase standards-based student achievement and stewardship among all ages, and dive into investigations of local environmental issues that spark informed action. Participants from Intermediate Units 18, 20, and 21 will receive over \$100 in instructional resources to support watershed exploration in their classroom.

Registration is REQUIRED with limited seats.

Questions about the workshop? Visit <https://bit.ly/JEEC2022> or contact Lauren Forster at 610-746-2801 or lforster@pa.gov
